Description: Dedicated to the preservation and restoration of sight; to diligently serving the people in our area first, then aiding those in other states and countries; to finding the causes and cures of blinding eye diseases through scientific research; to preserving sight through eye care programs, and making sight restoration possible through eye banking. Will do free screenings at Family Fun Fair. Also, if there is a low-income family with a vision concern, they will set up and pay for an eye exam and treatment. Call the St. Louis number and they will contact our Lion's Club representative.

DENTAL SCREENING
