

Student Request to Enroll in Online Learning Courses

MOCAP is a program developed by the state of Missouri to offer students equal (online) access to a wide range of high quality courses, flexibility in scheduling, and interactive online learning that is neither time nor place dependent. The intent of MOCAP is to give students access to courses which are not offered by the district or cannot be taken due to scheduling conflicts.

Request deadlines:

- Fall Enrollment Request Deadline: Five school days after the first day of school
- Spring Enrollment Request Deadline: Five school days after the second semester

Please print legibly and give this form to your counselor prior to the above request deadline.

Student Name: _____
